This matter was opened to the New Jersey State Board of Dentistry upon receipt of a patient complaint from John Guenther concerning dental treatment performed by the respondent consisting of fabrication of full upper and lower dentures. The Board reviewed the patient records, and acquired further information at an investigative inquiry attended by the respondent together with his counsel on February 16, 1994. This review disclosed that the dentures fabricated by respondent had an unacceptable anterior open bite and inadequate posterior occlusion, that respondent signed an insurance claim form for dental work he did not perform and that respondent submitted an insurance claim form before completion of the dental work. In order to resolve this matter without recourse to formal proceedings and for good cause shown;

IT IS ON THIS 22<sup>nd</sup> DAY OF May , 1994.

HEREBY ORDERED AND AGREED THAT:

1. Respondent shall make restitution to the patient for fees charged in connection with the fabrication of the full upper and lower dentures by submitting a certified check or money order payable to John Guenther in the amount of Seven Hundred Forty (\$740.00) Dollars to the State Board of Dentistry at 124 Halsey Street, Sixth Floor, Newark, New Jersey 07102, no later than the first day of the month following the entry date of this Order.

2. Respondent is hereby reprimanded by the Board of Dentistry for signing an insurance claim form for dental work he did not perform and for submitting an insurance claim form for completed services when, in fact, only impressions had been taken.
